Loreen,

After our discussion yesterday, I just wanted to clarify that the numbering you have indicated below should be used for these project agreements. I think I had previously sent PAs for PM review with differing numbers. Since nothing has been signed, lets go with your numbers.

Phyllis,

Any headway on the PA (#33) for the total exposure study? When can Loreen expect to see a completed Project Agreement? Possibly by the end of this week?

Thanks
Kim

Dear Kim and Phyllis,

I apologize for not getting back with you sooner, but I was in meetings all day on Wed., and PM was closed yesterday due to the weather.

This is what I have for MDS Project Agreements:

MDS PA 30 - Sample Analysis and Data Management Study for JLI Menthol
MDS PA 31 - Additional Sample Analysis - JLI Short Term
MDS PA 32 - SCoR 11 Short Term Study
MDS PA 33 - Total Exposure Study - Data Management and Statistical Analysis

Kim, I also have to talk to you about payment terms on MDS PAs 30 and 31. Could you please give me a call at (804) 274-2090.

Thank you,

Loreen
